

First Fridays Virtual Clinical Meetup

FREE TO ALL!

Friday, April 1, 12-1 pm EDT

Friday, May 6, 12-1 pm EDT

Friday, June 3, 12-1 pm EDT

Come join a casual, low pressure lunchtime meetup of clinicians hosted by MABS Past President, Jessica Eure, LPC, BCN. Bring cases, questions, book recommendations, or just your lunch and sit and listen. You can even ‘lurk’ in the background with your video off if you have Zoom fatigue - there’s no wrong way to come and hang - just pop in sometime during the hour and say hi or meet some new folks. Some months we’ll be hosting a guest speaker in the field of applied psychophysiology.

Please register at www.mabs.us/first-fridays/
